Every anteriber well understands the department has done, and what it costs o Delaware Loss \$14,000.

The stringency of the times during the year just closed has been such that all classes have left the pressure. It mattered not whether the merchant, manufacturer and trader was backed with abundant capital or not, there was no escape from a general participation in the evil at our door. That men may differ widely as to the detail is no reason that they do not all agree on the general fact that 1867 has been a year of great commercial depression and disaster. There are, indeed, very few who can say the year has been one of prosperity with them. With constantly declining values and an unsettled money market, alkinda of business have been difficult to mauage or control.

The present department was first or ganized in May, 1858, with three steamers, the Atwood, Gillis and Weatherford, The name was first or ganized in May, 1858, with three steamers, the Atwood, Gillis and Weatherford, The has been as pressure. It mattered not whether the merchant, manufacturer and trader was backed with abundant capital or not, there was no escape from a general participation in the evil at our door. The Social Evil.—An interesting case of the "social evil" is now accounted by the companion of the comp ders, in the Second-street market, he scatched astring of tish and was making off with them. Fortunately Cupt. Chas. Junot happened to be near by and gave chase. He was overhauled and turned ver to officer Shanks, who escorted the tellow to prison.

The Louisville Amphitheater, hav-

obio river ou Sunday in a skiff, aud, observing a large fick of geese gliding down the Sream, they fired at them, killing four. Leo Tifel, the owner of the flock, hearing of the rircumstance, caused the arrest of the sportsmen. The two former were fined \$\frac{1}{3}\$ and costs and the latter \$\frac{1}{3}\$ and costs and the latter \$\frac{1}{3}\$ and costs.

Type-Setting Machines.—The Harford Courier reports that the New York Times has given an order for a cansiderable number of Alden's type-setting earnest and persistent in his efforts are carried and personal transport of the composer always remember to that the Stein-am threw in his use once and drew the controlled the second draw he secured und. A third throw brought in the desired dranglet.

Times has given an order tor a considerable number of Alden's type-setting machines, to be used in the composition of that paper, and that the Tribnne contemplates doing the same thing. Other papers will follow if the machines prove a success, and a complete royolntion will a transfer are all thought in leaving the authority of the revising inverse status.

Additively, at his famous exchange, of of sciences, who was for some time state 1567.

All 25 14 Main street, will spread a fine tible to Geologist of Wiscousin, and spent the day, to which he invites his numerous admitted to the Pettmouth, both of whoch has been customers and many friends. John excustomers are accustomers and many friends. John excustomers and many friends are accustomers and many friends are accustomers and many f

Mr. Dickens replach, satisfy: He hopethe difficulties will soon be overcome, but 
the plan angested had teen tried in England and Parl and a gnally failed.

The avenumbp Henry Chauser, from 
Aspinwill the 231, with California passengera and \$1,100,000 in treasure, arrived 
this morning.

Maddison, Ind., Dec. 31.

A wan named John Redman, confined

A man named John Redman, confined in juil here, was shot and killed by Sheriff Shannon hast night. The Sheriff went into the juil to look the pel oners in their cells. On entering and tooking the door he was seized by Redman. The Sheriff called for help, and another prisoner came up. Instead of rendering assistance betook the key from the Sheriff and a tempted to us look the door. The Sheriff warned Redman the second time to let go or he would shoot him. Not be no obeyed, and seeing that the other prisoners were about to escape, he drew a revolver, shouth g Resiman through the heart, testantly killing him.

Two young persons named Amelia Goodlate and Thos. Shaw, aged 18 years respectively, were drowned in the canal of the

CONSERVATISM IN MISSISSIPPI.

WORKERSER, SLASS, S. WhiteIt is reported that Thomas R. Whiteore, treasurer of the town of Spencer, 
is been gullty of a defalcation to the 
anonnt of \$20,000. Whitemore has been 
issuing about a week.

Terrible evils, created by unwise legistration of Congress, threaten all our rights 
and interests, national, social, civil, and 
political. More than two years have 
political. More than two years have 
an interest and interes political. More than two years elasped since the close of the war, From Madame Demorest's Monthly Magadae.

The short walking dress has become an individual to the public of countries of appearance.

The short walking dress has become an individual to the public of substituted fact, and has taken its place at his for several reasons, one of which is the healthfulness, second, the cleanliness, to a condition worse han ever behand third, the economy of such a costume of appearance.

It also compels a distinction between the out-door and in-door toilette, which is sound control to the profits of countries of the public credit, the medium of exchange, the bountful contributor to the profits of countries, Clinchnati; Tarkequal, Clinchnati; Dave, now, It a time when our people might, if not obstructed by hostile legislation, in a good degree restore prosperity, and contribute the surfact the medium of the profits of the profits of the profits of the profits of countries. The property of the public credit, the medium of exchange, the bountful contributor to the profits of countries, and the great the property of the public credit, the medium of exchange, the bountful contributor to the profits of countries of countries.

It has been too much the habit to trail.

ment subvert: constitutional union, a single subvertible constitution of the subvertible const

and white, the well known colors of Woodburn. Mr. Swigert has emyloyed Wm Jennings for his chief trainer, Jennings it as young man, but he is regarded na one of the most promising men in bis protession. Laucaster, we understand, is in perfect health, and looks the excellent race-horse that he is. Mr. Swigert is an experienced turiman, and now that he has come upon the race-course with the some upon the race-course with the warm of the Woodburn stable, the will prove a dangerous rival for the purse.

— A man fell off some boat at Portsmonth F. — Shut was brought in the United States Co-Pitisburg, on or about the 231 last, by Hugh to work the some upon the race-course will lead the van more often than they will be found in the react.

on to believe that his owill be found the rear.

It will be highly gratifying to those Americans who have manifested interest and pride in the Woodburu establishment to learn that Mr. A. J. Alexander will carry out the grand breeding project of his brother. To be recognized as the largest breeder in the world is a proud recognition. We can well believe that Mr. John Alexander makes no mean sacrifice in Alexander makes no mean sacrifice in the world is a proud recognition. We can well believe that Mr. John Mr. J HAVE purchased the well-known stand for-morely o cupied by Mr. W. H. Link, on Sec and sponsibilities of a vast estate, for his contening to take upon himself the re-sponsibilities of a vast estate, for his health has been feeble for many years.
